Extreme Makeover: Home Edition Day 5 Update  
Thursday, November 2, 2006

**Duane Hartman, President of Hartland Homes, will give the keys of the new Machacek family home to Ty Pennington and the Design Team today at 3:00 p.m.**

Construction of the new Machacek family home has been on schedule until Wednesday morning. "The construction of the home has gone very smoothly and the interior will be ready for the Design Team this afternoon to begin moving in the furniture and decor items. However, with temperatures in the teens the last two nights, the exterior stone and brick work is running behind. We will have the home ready for the Machacek family on Friday" said Duane Hartman.

We advise the media to be on site by 2:30 p.m. You do not need to schedule your time to be at the site; however, photo I.D. and our completed credentials form are required.

Today workers will be working on:

- Interior - carpet, light fixtures, painting, touch-up and cleaning the home.
- Exterior - Stone, brick, painting and landscaping.
